

Pope Tennis Sponsorships

Pope Tennis and Sponsorships

Let's be honest, tennis is an expensive sport. Support from our sponsors help offset the costs of running our highly successful tennis program. Individual families pay a team fee and your support helps to keep those team fees at a reasonable cost. Additionally, sponsorship dollars are put toward the maintaining of our tennis courts, nets, windscreens, and other equipment needed by our program.

Sponsor Benefits

Pope tennis is a part of the community. Your company is a part of the community. It is natural fit to receive community recognition from families who eat, shop, and thrive in the East Cobb, Roswell, Woodstock, and Sandy Springs. Whether your sponsorship is on-site or online, you are a valued partner of Pope Tennis.
